

Haiku Deck

1.

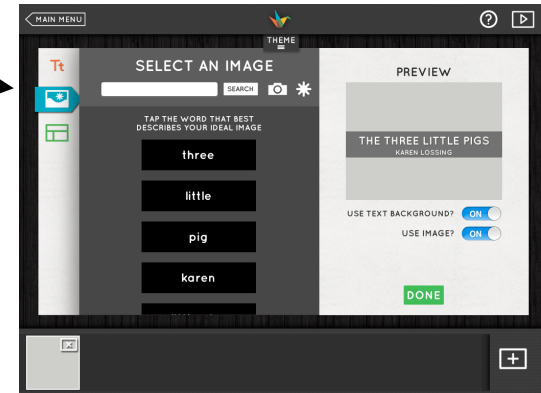

+ lets you start a project

Give it a title

2. Type anywhere you see TAP TO EDIT or press the orange T

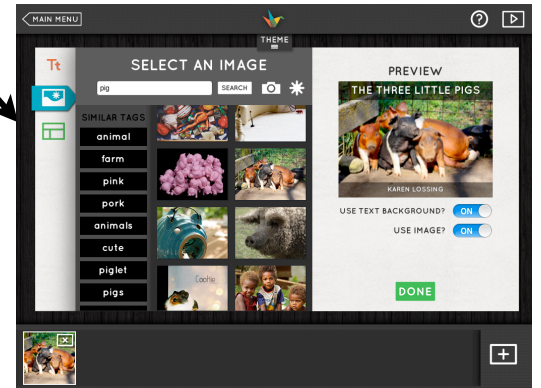

3. Select an image by clicking the blue picture symbol and typing in the search box or using a suggestion

4. You will be offered pictures that match your title

Tap picture to select your cover photo

Tip: Use your words wisely. Use power words in the big spaces and detailed words in the smaller ones

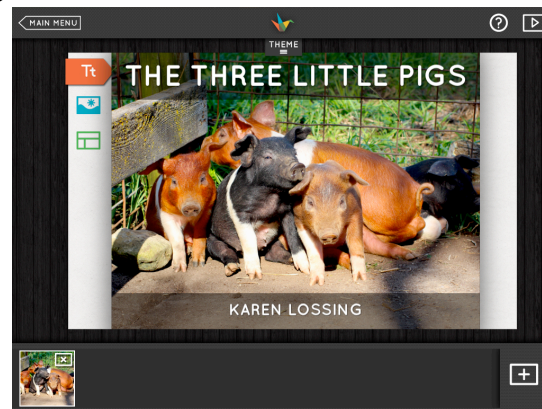

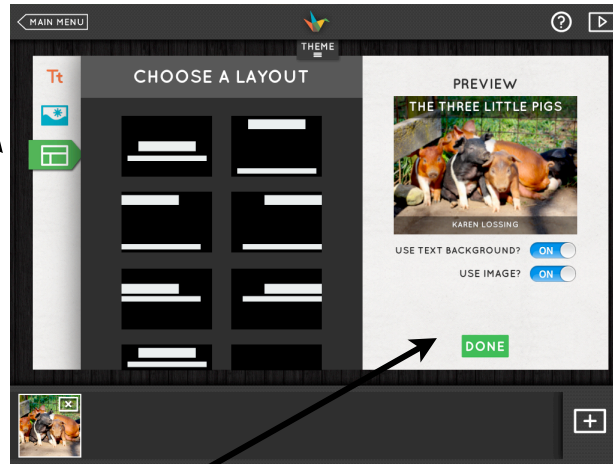

Aligning the Text/Adding Pages

5.

You did the text on T, now you can arrange it to suit your picture

The thicker lines will appear larger than the thinner lines.

Click DONE when done

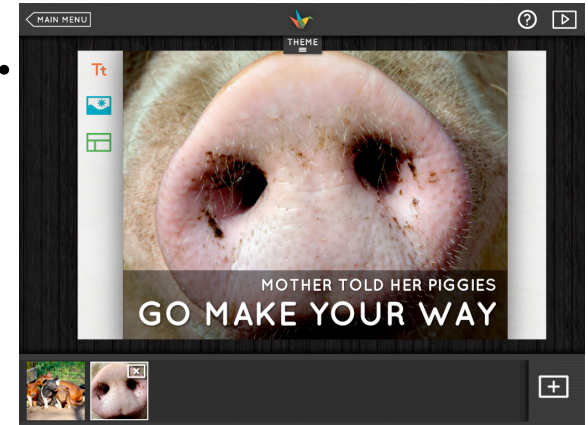

A finished cover

6.

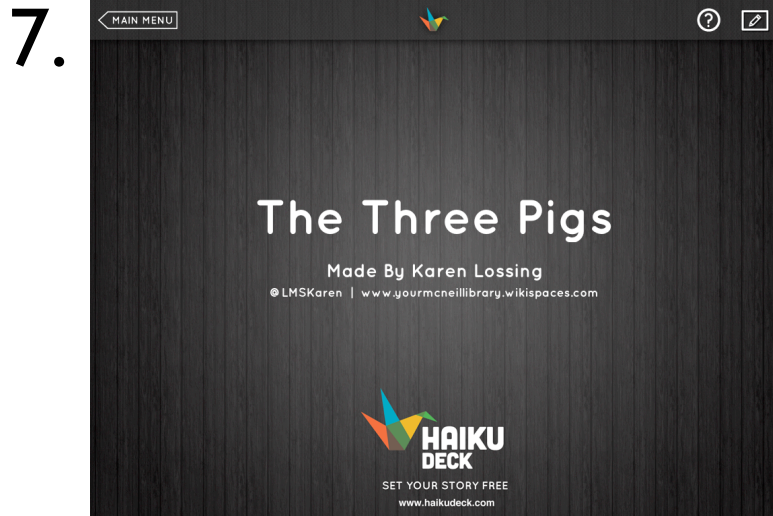

Click + to add another page

Completed pages appear along the bottom

Click + to add another page and repeat until you have completed your project

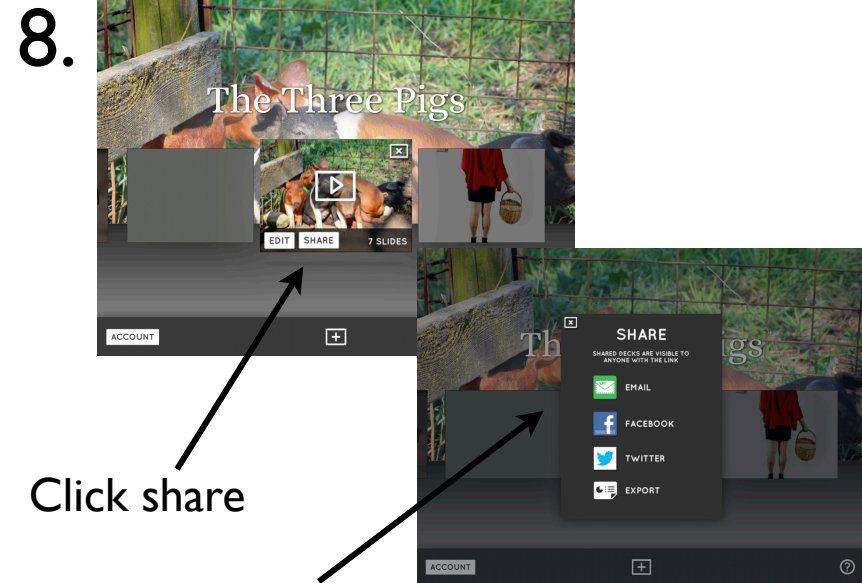

Saving and Sending

Preview your slideshow for layout, word choice and errors.

Did you tell the story you wanted?

Click MAIN MENU (top left corner) to share with your teacher

Type your teacher's email address

Put your name on the subject line
